Msg. Captain Stump. Felix you old rascal you and the Admiral have been sending signals long enough. I want you to know that all of us are proud of you and your fine ship. You are doing a remarkably able job of ~~returning~~ <sup>STEERING</sup> and we are honored to be escorting you. It looks to me as if the training of the old Cincinnati days is coming in handy at last. When you find a seaman ~~that's~~ an airman that's nothing, but when you find an airman ~~that's~~ a seaman that's news. My hats off to an airman seaman and his crew.
